

BITS Pilani invites applications for faculty positions

BITS Pilani offers from its campuses in Pilani, Goa, Hyderabad and Dubai, formal education and research programmes in Sciences, Engineering, Pharmacy, Social Sciences and Management. Through its Work Integrated Learning Programmes (WILP), BITS Pilani also offers continuing technical education for working professionals leading to degrees in industry relevant domains (Computer Science & Software Systems, Manufacturing, Process & Power, and Management).

With a view to position itself as one of India's (and Asia's) top research-led technical universities, BITS Pilani has embarked upon an aggressive plan to expand its Post-Graduate, Doctoral and Sponsored Research programmes, while consolidating its Under-Graduate programmes. Details on academic programmes and research activities of the departments are available in respective campus web sites.

On Campus – Faculty Positions

BITS Pilani invites motivated and research-focused faculty with outstanding academic background and potential to excel in research and teaching to apply for positions of Assistant Professor, Associate Professor or Professor for its campuses in Pilani, Goa, Hyderabad and Dubai in the following disciplines:

Requirements	P	G	H	D
Civil Engg.	√		√	√
Chemical Engg.	√		√	√
Electrical, Electronics & Instru. Engg.	√	√	√ %	√
Mechanical Engg.	√	√	√	√
Pharmacy	√ #1, #2		√ #2	
Management	√			√
Comp.Sci. & Info. Sys. Engg. %	√	√	√	√
Biological Sciences			√	
Economics & Finance	√	√	√	√
Mathematics	√		√	
Humanities & Social Sciences	√	√	√	√
Physics			√	
Chemistry			√	

√ = Campuses and Departments for which applications are invited

P=Pilani; G = Goa; H = Hyderabad; D = Dubai; % - Also Lecturers

#1 – Pharmaceutical Chemistry only, #2 Pharmaceuticals only

Candidates with a recent PhD in the respective discipline will be considered for appointment as Assistant Professor, while those with post-PhD experience of 6 years or more may be considered for higher positions.

In the departments of Computer Science, Electrical, Electronics & Instru. Engg., the Institute may consider a few exceptional candidates without PhD, for appointment as Lecturer for up to 6 years, to enable them to contribute to teaching while pursuing a PhD Degree. Other details are available at the Institute website (www.bits-Pilani.ac.in).

Eligible candidates may apply online only, with details of their educational background, experience and academic achievements, anytime at: www.bits-pilani.ac.in/careers. Applications received up to **June 17, 2017**, will be considered in the current recruitment cycle. Applications received after June 17, 2017 will be taken up in the next cycle. For more information, write to Dean, Faculty Affairs, BITS Pilani, Pilani 333031, Rajasthan or Email: deanfacultyaffairs@pilani.bits-pilani.ac.in

BITS Pilani is “Deemed to be University” established under Section 3 of UGC Act 1956. For more information on BITS Pilani, visit: www.bits-pilani.ac.in

Off Campus – Faculty Positions

BITS Pilani also invites academics and experienced industry professionals with an outstanding background to pursue an academic career as faculty members to teach in off-campus WILP programmes and mentor on-campus students undergoing Practice School in industry at Bengaluru, Chennai, Hyderabad, Pune, Delhi (NCR) and Mumbai.

Disciplines	Faculty Requirement
Electrical and Electronics Engg.*	√
Mechanical Engg. \$	√
Computer Science & Software Systems %	√
Management @	√

* - Embedded systems, Microelectronics;

\$ - Design Engg., Manufacturing Engg.;

@ - Marketing

% - Also Lecturers

Candidates with ME/MTech degree and adequate relevant work experience and/or PhD will be considered for appointment as Assistant/Associate Professor. Candidates with ME/MTech degree will be considered for appointment as Lecturer (more details on qualification, eligibility, are available on website).

Candidates who have completed MSc in Maths or Physics, but wish to pursue a career in Software Engg./Computer Science, will be considered for appointment as Instructors.

Guest Faculty

Opportunities are also available for suitably qualified professionals, especially from industry, with a passion to teach in these programmes on a part-time basis during evenings or weekends. Along with suitable honorarium, such an engagement will also provide opportunity to interact with our regular faculty, and participate in curriculum/content development. For details, visit:
