

**PARTIAL SCHOLARSHIPS
FOR OUTSTANDING
STUDENTS FROM INDIA**

JUNE 27–JULY 21, 2018

SUMMER 2018

CYBER SECURITY IN THE START-UP NATION

CYBER SECURITY (4 CREDITS)

For the past three decades, the State of Israel, “The Start-Up Nation,” has maintained its position as a leading powerhouse for cyber security innovation. We invite you to join us as we examine the world of cyber warfare, security threats, the Internet of Things, and Cloud Computing as well as the fundamental technologies of cyber security systems, including: Block Chain; Cryptology; Hash Function; Crypto-Techniques; Asymmetric Encryption; and much more.

ADDITIONAL OPPORTUNITIES

Our students enrolled in the Cyber Security program also have the unique opportunity to participate in “Cyber Week” which is an annual leading international conference in cybersecurity held at Tel Aviv University. Cyber Week 2018 will occur two weeks prior to our program start date.

ELIGIBILITY

Program is open to undergraduates who have a grade point average of at least 80% (3.0/4.0 scale) and are majoring in Computer Science, Engineering, or a related field. Students not in these majors may still apply provided they have a course background in these areas or in Math. Students should have taken at least one prior course in Programming Language (Java, C)

Courses are subject to change. For information about housing, services and social life, and updated dates please refer to our website.
