Broad guidelines for allowing partial financial support to students accepted for off campus thesis at foreign universities/institute:

1. Acceptance from reputed institute/university (QS/ THE ranking < 400, or having MoU with BITS Pilani)
2. Preferably to student having partial financial support from the host institute/lab
3. Academic performance (CGPA) not less than 8.0/10
4. Prior project experience at BITS or elsewhere
5. Commitments towards the strengthening of institute's exchange programme
6. Application will be considered only upon submission of TS 1 form, after starting the thesis work.
