

24H Entrepreneurship Challenge 2017 - India Edition

IISER Pune, 1-2 December 2017

Are you an innovative, dynamic research student interested in getting a first-hand experience at setting up a business in a tight race against the clock?

**Apply now for the 1st Indian edition of the 24H
Entrepreneurship Challenge!**

**Create the best business model with your team
and win a trip to France to visit France's leading
innovation hubs!**

Get trained by professional coaches from leading French and Indian companies, and hone your business skills through learning-by-doing.

Deadline: 22 September 2017
