Re: Summer internship and research scholars at EPFL for international students.

Dear colleague,

EPFL offers Summer internships for BSc and MSc students as well as Research Scholar fellowships for MSc students.

The goal of the internship program is to allow top international students in Computer Science and Engineering, Telecommunications or Electrical Engineering to discover our campus and participate in research activities. Complete information about this program can be found on our website:

<http://ic.epfl.ch/computer-science/summer-at-epfl>

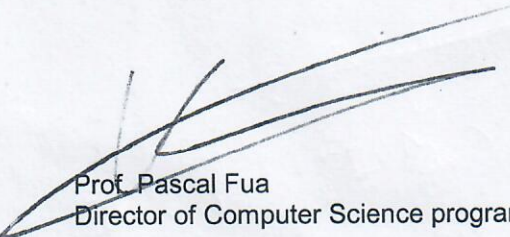

The Research Scholars MSc program offers incoming MSc students an opportunity to collaborate on research projects during their studies. Complete information about this program can be found on our website:

<http://ic.epfl.ch/ResearchScholars>

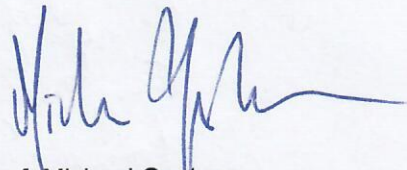

The enclosed poster provides information on the Summer@EPFL program. We would be most grateful if you could display it in your department and share the information with your students.

We thank you in advance for your cooperation.

Yours sincerely,

Prof. Pascal Fua
Director of Computer Science program

Prof. Michael Gastpar
Director of Communication Systems program
