

Applied deep learning workshop at BITS Pilani campus: A workshop on 'Applied deep learning', hosted at BITS Pilani K K Birla Goa campus, is underway and will be on till June 16. The workshop will feature talks by prominent researchers from IIT, BITS, Harman DTS, Fujitsu and Sahaj AI. The workshop aims to bring together leading researchers to cover both fundamental and advanced topics in the field of deep learning. The workshop will consist of intensive lectures and hands-on sessions covering basic and advanced topics, with the goal of exposing participants to recent advances in the area of deep learning.
