CALL FOR PROJECT STAFF

Date: 08/09/2020

Applications are invited from suitable candidates for PROJECT STAFF position to work on the project “Deciphering the role of gut microbiota-derived cholesterol derivatives in influencing the function of macrophages: Implications in colon cancer”, under the supervision of Dr. Trinath Jamma, Department of Biological Sciences, BITS-Pilani, Hyderabad campus, Hyderabad

Title of the project: Deciphering the role of gut microbiota-derived cholesterol derivatives in influencing the function of macrophages: Implications in colon cancer

Duration of the fellowship: 2 years (Intramural/OPERA)

Project position and number: PROJECT STAFF (One)

Fellowship amount: Rs. 18,000/- per month (consolidated)

Eligibility requirement: M. Sc. with 1st Class in Biochemistry/Life Sciences (from recognized university)

Desirable: A prior experience in mammalian cell culture, fluorescence imaging, biochemical techniques and molecular biology is desirable

Interested candidates with the above mentioned qualification can send the applications/CV giving detailed information about the educational qualification, research experience and published research papers (if any), by 15th September, 2020 to Dr. Trinath Jamma (PI) via email: trinath@hyderabad.bits-pilani.ac.in. Please note that only qualified and suitable candidates will be called for interview to be held at BITS-Pilani, Hyderabad Campus (Google meet, online mode). Note: The PI and Institute reserve the right to terminate the engagement of the PROJECT STAFF at any time, if the performance is not satisfactory. Candidates will be short listed for the interview based on merit. The date and time of interview will be informed via email.
