Applications are invited for a Junior Research Fellow (JRF) position in the Department of Chemical Engineering at BITS Pilani- K.K. Birla Goa Campus for a SERB-DST Funded Project titled “Continuous Flow Oil-Water Separation System Using Smart Separators Capable of Low-Voltage Wettability Switching”

Principal Investigator: Dr. Pradeep Kumar Sow

Broad Area of Research: Electrochemical reactions, material synthesis using electrodeposition, Surface wettability, Design and testing of oil-water separation systems

Duration of project: 3 years

Fellowship: Rs. 31,000 (1st & 2nd Year), Rs. 35,000(3rd Year)
OR
As applicable based on the SERB Guidelines

Last date of application: 15th January, 2020

Qualifications: M.E./M.Tech. in Chemical Engineering or B.E./B.Tech. in Chemical Engineering with valid GATE Score. Preference will be given to candidates having GATE score.
M.Sc. Chemistry with NET/GATE qualification

Interested candidates are requested to send their applications with detailed CV along with the details of the research experience by email to the PI latest by 15th January, 2020. The application is to be sent by email only (pradeeps@goa.bits-pilani.ac.in). The shortlisted candidates will be intimated by email and called for the interview over Skype.

Selected candidates will get a chance to apply for PhD degree at BITS Pilani, K.K. Birla Goa Campus (Rules of PhD program as per the BITS Pilani guidelines)

Principal Investigator (PI):
Dr. Pradeep Kumar Sow
Assistant Professor
