

# Birla Institute of Technology & Science, Pilani

K K Birla Goa Campus

2<sup>nd</sup> April 2019

Applications are invited for a Research Scholar position of ABB Global Industries and Services Private Ltd. funded project on “**Smart City Data Analytics in Cloud**”. The project is for four years and the expected date of commencement is 01-06-19.

Candidates with hands-on experience in Data Analytics and Cloud Computation will be given preference. In addition to the regular review by the supervisors, the research statement and the research progress will be periodically reviewed by ABB Corporate research group during the tenure of the research.

### Eligibility: For Research Scholar:

**Qualification:** First Class in M. Tech./M. E. (CS) / (EEE) / equivalent degree. NET-LS / valid GATE qualification is strongly desirable and will be given precedence.

**Monthly Stipend:** Monthly stipend of the selected candidate will be approximately Rs 30000/- per month (under revision). In addition, a contingency grant may be made available to the student based on the research requirement as per the norms of BITS Pilani K K Birla Goa Campus. Accommodation / HRA may be admissible as per the norms of BITS Pilani, K K Birla Goa Campus.

Applications with detailed bio-data should reach to the Supervisors. Prof. Santonu Sarkar ([santonus@goa.bits-pilani.ac.in](mailto:santonus@goa.bits-pilani.ac.in)) or Prof Neena Goveas (neena@[goa.bits-pilani.ac.in](mailto:goa.bits-pilani.ac.in)) by e-mail or by hard copy to the following address **latest by April 30, 2019.**
