

10<sup>th</sup> December, 2019

**Junior Research Fellow Positions Available  
in  
Indian Council of Medical Research Funded Extramural Research Project  
entitled  
“Antisense, Sense and Epigenetics in Severe Malaria”**

Applications are invited for **two** posts of **Junior Research Fellow (JRF)** in the multi-centric research project entitled “Antisense, Sense and Epigenetics in Severe Malaria” funded by the Indian Council of Medical Research under the supervision of **Prof. Ashis Kumar Das** (Principal Investigator), Department of Biological Sciences, Birla Institute of Technology & Science, Pilani (Pilani Campus), Rajasthan - 333031.

The positions are for a duration of 03 years.

**Essential Qualification:**

M.Sc./M.Tech./M.E. in Bioinformatics/Biotechnology/Biological Sciences or equivalent degrees in allied disciplines.

**Desirable:**

NET/GATE qualified candidates and candidates with a background in Bioinformatics/ Computational Biology, NGS Sequencing & Analysis or Molecular Biology will be given preference.

**Emoluments:**

Emoluments will be as per the norms of the Indian Council of Medical Research.

**Application Process:**

Interested eligible candidates are required to forward their current resumes to [applications.daslaboratory@gmail.com](mailto:applications.daslaboratory@gmail.com) with the subject “**Application for JRF Position in Antisense, Sense and Epigenetics in Severe Malaria**”.

Shortlisted candidates will be informed through e-mail regarding the interview date.

Interviews will be conducted in person or via Skype.

No TA/DA will be paid for attending the interview.

# Birla Institute of Technology & Science, Pilani

Pilani Campus

**Application Deadline: 31<sup>st</sup> December, 2019 | Expected Joining Date: 1<sup>st</sup> February, 2020**

**NOTE:** Selected candidates will be encouraged to apply for the doctoral (PhD) program of Birla Institute of Technology & Science, Pilani (Pilani Campus) as per the institute's regulations.
