

JRF Position Available in DST-SERB CRG Project

Date: 16.12.2021

Applications are invited for **one** post of **Junior Research Fellow (JRF)** in the DST SERB-sponsored research project entitled "Identification and characterization of male meiocyte-specific promoters to facilitate germline-specific engineering in sorghum" funded by DST-SERB under the supervision of **Dr. Rita Sharma**, Department of Biological Sciences, BITS Pilani, Pilani Campus, Rajasthan. The post is for 3 years duration.

Essential Qualification: M.Sc./ M.Tech. in Botany / Biotechnology / Bioinformatics or related life science disciplines (with first division as defined by the awarding Institute/ University) from recognized Universities/Institutes, with CSIR/UGC-NET or valid GATE score.

Desirable: Candidates with wet-lab experience in plant molecular biology/tissue culture would be given preference.

Emoluments: Emoluments will be as per DST norms.

How to apply: Interested and eligible candidates are advised to forward their current resume and abstract of project work (thesis/dissertation), if any, to rita.sharma@pilani.bits-pilani.ac.in. In the subject of the E-mail, candidates should write "**Application for JRF Position in DST-SERB CRG Project**". Short-listed candidates will be informed through e-mail regarding the interview date.

INTERVIEW DETAILS: Interview will be conducted through online mode only. Documents in support of educational qualifications must be produced at the time of selection process.

Application Deadline: Dec 27, 2021

Note: Selected candidate will be highly encouraged to apply for Ph.D. programme of BITS, Pilani as per Institute's procedure.
