

**CALL FOR THE POST OF JUNIOR RESEARCH FELLOW (JRF) FOR
A CSIR SPONSORED RESEARCH PROJECT**

Applications are invited from suitable candidates for the post of Junior Research Fellow to work on a project sponsored by CSIR, under the supervision of Dr. Rajeev Sakhuja, Department of Chemistry, BITS Pilani, Pilani Campus, Rajasthan.

Title of the project:

Metal-catalyzed and Metal-free Strategies for the Synthesis of Modified Bile Acids as Novel Anticancer Agents

Duration of the project: 3 years

Project position and number: Junior Research Fellow, 1 Nos. Please note that the project position is subject to be convertible to a Ph.D.

Fellowship amount: (As per CSIR guidelines)

JRF: 31000 /- pm (2 years), SRF: 35000 /- pm (1 year)

Eligibility requirements: M.Sc. in Chemistry with first division. NET/GATE/LET qualification is desirable.

The candidate is expected to have a sound understanding of Organic Chemistry. The nature of the work will be mainly experimental and will involve a lot of bench work and organic synthesis.

Interested candidates with the above mentioned qualification can send applications giving detailed information about the educational qualifications to the Principal Investigator of the project Dr. Rajeev Sakhuja *via* email: rajeev.sakhuja@pilani.bits-pilani.ac.in.

Please note that only qualified and suitable candidates will be called for an online interview. Selected candidates may be permitted to register for Ph.D. programme of BITS Pilani, subject to the fulfilment of the institutional requirements.
