Research Position (JRF) in Fluid Dynamics

One Junior research fellow (JRF) position is available in the Department of Mathematics, Birla Institute of Technology and Science, Pilani, Pilani Campus for working in a SERB sponsored project (tenure 3 years) entitled “**Modeling of Cardiovascular Flows and Influence of Magnetic Field on Circulation**”. The selected JRF will be allowed to join the Ph.D. program of B.I.T.S. Pilani, as per Institute’s procedure.

Essential Qualification: M. Sc./M.E. in Applied Mathematics / Mechanical Engineering or a related field with good academic record. Candidate with NET/GATE will be preferred. Favourable considerations will be given to applicants who are self-motivated with basic knowledge of numerical analysis, fluid dynamics, Ordinary and Partial Differential Equations.

Emoluments: Rs. 16,000/- per month for first two years and Rs 18,000/- per month for third year (fixed). (Any further changes in the fellowship will be subject to the revision made by DST only)

Application on plain paper with full curriculum vitae including their courses in Master’s degree should reach to the undersigned by post or e-mail **on or before February 22, 2015**. Short listed candidates would be called for interview. No TA/DA will be paid for attending the interview.
