

**Birla Institute of Technology & Science, Pilani**  
Pilani Campus  
Department of Mathematics

## ***ADVERTISEMENT***

### **Research Position (JRF) in Numerical Analysis**

One Junior research fellow (JRF) position is available in the Department of Mathematics, Birla Institute of Technology and Science, Pilani, Pilani Campus for working in a SERB sponsored project (tenure 3 years) entitled “Development of uniformly convergent methods for two-parameter singularly perturbed boundary value problems”. The selected JRF will be allowed to join the Ph.D. program of B.I.T.S. Pilani, as per Institute’s procedure.

**Essential Qualification:** M. Sc./M.A. in Applied Mathematics or a related field with good academic record. Candidate with NET/GATE will be preferred. Favourable considerations will be given to applicants who are self-motivated with basic knowledge of numerical analysis, ordinary and partial differential equations and the MATLAB programming.

**Emoluments:** Rs. 31,000/- per month for first two years and Rs 35,000/- per month for third year (fixed). (Any further changes in the fellowship will be subject to the revision made by DST only)

Application on plain paper with full curriculum vitae including their courses in Master’s degree should reach to the undersigned by post or e-mail on or before January 31, 2020. Short listed candidates would be called for interview. No TA/DA will be paid for attending the interview.

#### **Principal Investigator:**

**Dr. Devendra Kumar,**
