Advertisement for Junior Research Fellow (JRF) Position

Applications are invited from eligible candidates for a Junior Research Fellow (JRF) Position at BITS Pilani, India to work in a research project sponsored by C-Zentrics Pvt. Ltd, Gurgaon (India).

BENEFITS OF THE SCHOLARSHIP

- Project fellowship: INR 31,000 -35,000 per month.
- The selected candidate can pursue his Doctoral study at BITS Pilani, Pilani Campus after clearing the institutional admission procedures.

PROJECT DETAILS

Project title: **Multilingual Conversational AI to Enhance Customer Experience**

Project Team: Dr. Yashvardhan Sharma (PI), Dr. Kamlesh Tiwari (Co-PI), Dr. Ashutosh Bhatia (Co-PI)

Duration of the project : **3 Years**

MINIMUM AND DESIRABLE QUALIFICATIONS

B.E/B.Tech/M.E/M.Tech in Computer Science (with dissertation/thesis) or equivalent degree with at least 60% or equivalent marks. The candidate is expected to have foundational understanding of machine learning and natural language processing. The GATE qualified candidates will be given preference; however, it is not mandatory. Prior research (M.Tech thesis/project) experience and having publications in reputed peer reviewed journals/conferences will give additional advantage. You should be proficient in programming languages like C or Python and other Data Analytics Tools.

HOW TO APPLY
