

Date: 03-10-2026

**CALL FOR JUNIOR RESEARCH FELLOW (JRF) FOR BFI-BIOME SPONSORED PROJECT**

Applications are invited from suitable candidates for Junior Research Fellow (JRF) to work on an ongoing project sponsored by **BFI-BIOME**, under the supervision of **Prof. Balaram Ghosh, Department of Pharmacy**, BITS-Pilani, Hyderabad Campus.

**Project Title:** Preclinical Translation of AH22: A Highly Selective and Potent Novel Epigenome-Targeting Anticancer Therapeutic Molecule

**Duration of the project:** 9 months, candidates will get PhD enrollment upon fulfillment of the other Institutional requirements

**Project position and number:** JRF (1 position)

**Eligibility requirements:** Master's Degree in Pharmacology/medicinal Chemistry (First-class) from a recognized university with a valid **GATE/NET/GPAT/DBT/DST/ICMR/CSIR** score. Candidates with prior experience of working with cell based *in vitro* studies and experience in animal handling & dosing will be given preference.

---

**Application process:** Please apply with a CV and Cover letter via email: [balaram@hyderabad.bits-pilani.ac.in](mailto:balaram@hyderabad.bits-pilani.ac.in)

**Application deadline: October 15, 2026**

**Date of interview: October 22, 2026**

**Date of joining November 2, 2026**

Preliminary shortlisting will be based on a resume and telephonic/audio-visual interview within a week of the last date of application. Only the selected candidate will be informed through email for the final interview online. Selected candidates may be permitted to register for the PhD programme at BITS Pilani, subject to the fulfilment of the requirements. The continuation will be based on the performance of the candidate, which will be evaluated periodically by the supervisor and the Departmental Research Committee.
