

SEMINAR/ WORKSHOP/CONFERENCE CONDUCTED IN THE DEPARTMENT : 08

1. Symposia- "COVID-19 Pandemic and the Way Forward" held on 16.09.2022 to 17.09.2022 at BITS Pilani, Goa Campus
2. Workshop – “Private labs (small group) on Faecal sludge analysis” held on 13.10.2022 to 14.10.2022 at BITS Pilani, Goa Campus
3. Workshop – “Techniques Include Western Blotting and ELISA” held on 22.08.2022 to 23.08.2022 at BITS Pilani, Goa Campus
4. Workshop – “Research with Animals and Animal Care’ held on 22.08.2022 at BITS Pilani, Goa Campus
5. Workshop – “BASIC MOLECULAR BIOLOGY LABORATORY TOOLS AND TECHNIQUES” held on 01.08.2022 to 03.08.2022 at BITS Pilani, Goa Campus
6. Symposia – “2nd International Symposium on Bilingualism and Cognition” held on 28.10.2022 to 29.10.2022 at BITS Pilani, Goa Campus
7. Seminar - Fermentation, Fermenters and their Technicality. held on 15.07.2022 to at BITS Pilani, Goa Campus
8. Conference - International Conference on Drug Discovery 2022: Success Stories - From Computation to Clinical Trials held on 10.11.2022 to 11.11.2022 to at BITS Pilani, Goa Campus

INVITED TALKS / DISTINGUISHED LECTURES ARRANGED BY THE DEPARTMENT: 06

1. Guest Lecture by Prof. Asim K. Duttaroy, MD, PhD, DSc, FNI, FICN, Faculty of Medicine, University of Oslo, Norway , held on 14th December, 2022. Title of Talk: Development of functional ingredients from tomato (Fruitflow®) that improve blood flow and blood pressure.
2. Guest Lecture by Prof. Debasish Sinha, Professor of Ophthalmology, Cell Biology and Developmental Biology University of Pittsburgh School of Medicine ,Adjunct faculty, Ophthalmology, The Johns Hopkins University, held on 6th December, 2022. Title of Talk: Translational Medicine, The Crystallin Story
3. Guest Lecture by Dr. Raghu Rangaswamy, Vice President, Schrodinger Inc. is visiting our campus, held on: 7th November 2022 (Monday), Title of the talk: "Computational drug discovery: The next disruptive technology in pharmaceutical Research and Development"
4. Guest Lecture by Prof. RajanBawa, PhD , Visiting Professor, Department of Chemical Engineering, BITS-Pilani – Goa, held on: 29th October, 2022, Title of the talk: "Academic & Industrial Perspectives in Biomedical Engineering".
5. Guest Lecture by ProfKorneelRabaey, Center for Microbial Ecology and Technology Ghent University, Belgium. Held on 23rd September 2022 (Friday), Title of the talk: "Electrifying sanitation - how electricity driven systems can create safe water for all".
6. Guest Lecture by Dr. Seema Mittal, Scientist, Discovery, Cresset, Held on: 15th July 2022 (Friday), Title of the talk: Softwares useful for Drug Discovery by Cresset.
