The screenshot displays the WordPress dashboard interface. At the top, the user is identified as 'Howdy, Rasika Nipane'. The dashboard is divided into several sections:

- At a Glance:** Shows 2,461 Posts and 744 Pages. A status message indicates 'WordPress 6.0.2 running Betheme Child theme.'
- Activity:** A table of 'Recently Published' posts:

Date and Time	Post Title
Oct 10th, 1:12 am	<a href="#">Overview</a>
Oct 7th, 10:34 am	<a href="#">Dinesh Rano</a>
Oct 6th, 12:17 pm	<a href="#">Aritra Banerjee</a>
Oct 3rd, 3:35 pm	<a href="#">BITS ECHO September Edition 2023</a>
Oct 2nd, 7:35 am	<a href="#">Sparkle and Solve student programs</a>
- Quick Draft:** A form for creating a new draft, including fields for 'Title' and 'Content' (with the placeholder 'What's on your mind?') and a 'Save Draft' button.
- WordPress Events and News:** A section for upcoming events with a 'Select location' button. Two events are listed:
  - WC Mumbai 2023 - Pre-event Prep meetup:** Saturday, Oct 14, 2023, 4:00 pm GMT+5:30, Mumbai, India.
  - WordCamp Mumbai 2023:** October 28–29, 2023, Mumbai, Maharashtra, India.

Note : This system can be accessed from any computer with an internet connection.

How to add Overview

# Steps to add Overview details

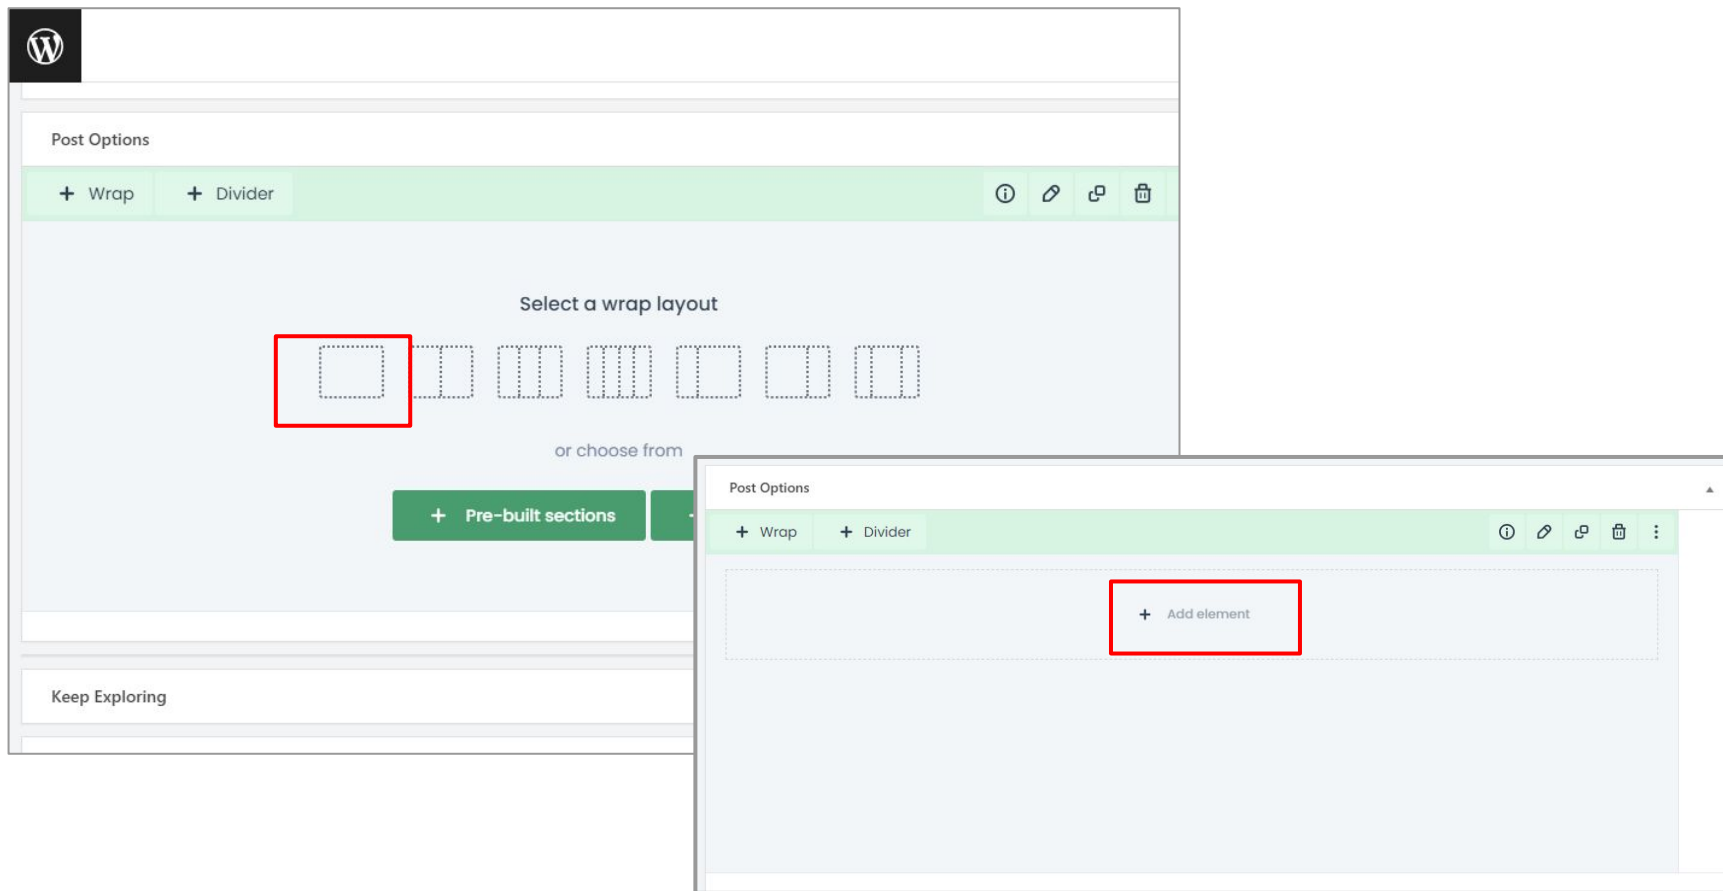

1. Click on "Posts" then " All Post" from menu
2. Hover on "Self name" and click on " Edit"
3. Click on " Post Option"
4. Then clicked on "Publish/Update"

The screenshot shows a web interface with a dark sidebar menu on the left and a main content area on the right. The sidebar menu includes items like 'Posts', 'Media', 'Faculty Teaching', 'Faculty Other Information', 'Faculty Invited Talks', 'Faculty Publications', 'Faculty Achievements', and 'Faculty News'. The 'Posts' item is highlighted with a blue bar and a red box. The main content area is titled 'Posts' and contains a table with the following structure:

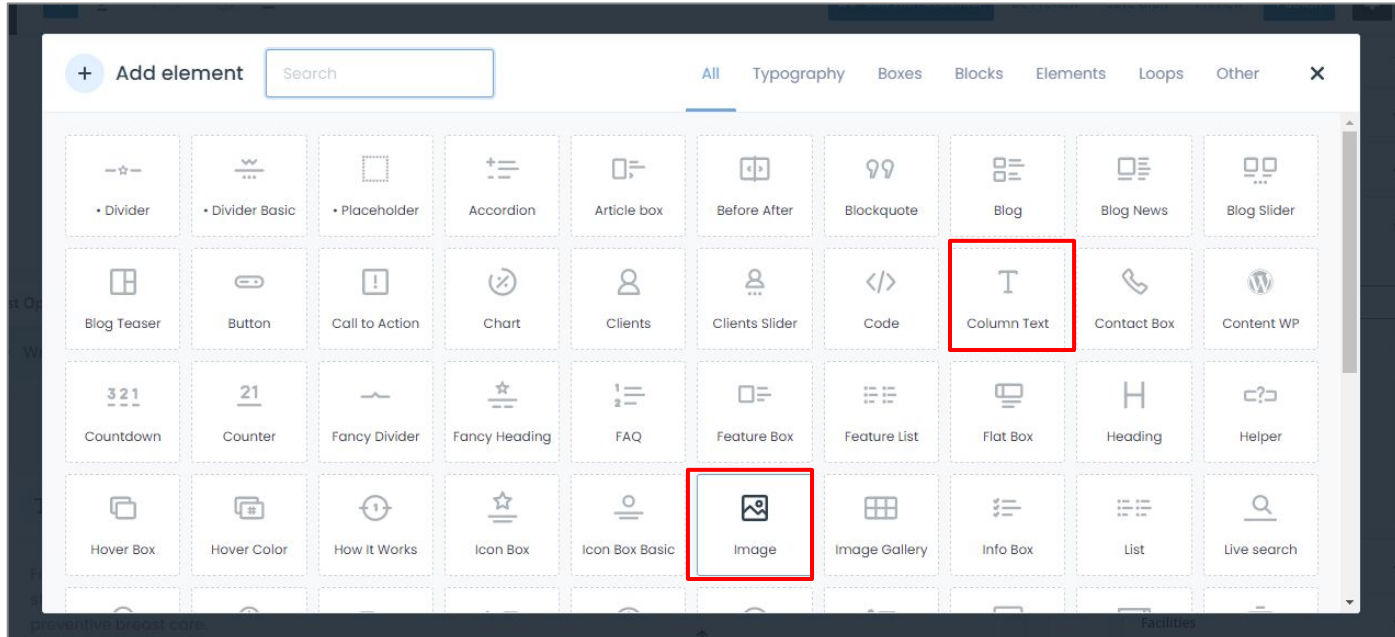

<input type="checkbox"/>	Title	Author	Categories
<input type="checkbox"/>	Rasika Nipane	Rasika Nipane	—

Below the table row, there are two buttons: 'Edit' and 'View', both highlighted with red boxes.

1. Select the layout and Click on “Add Elements” and select the “column Text”

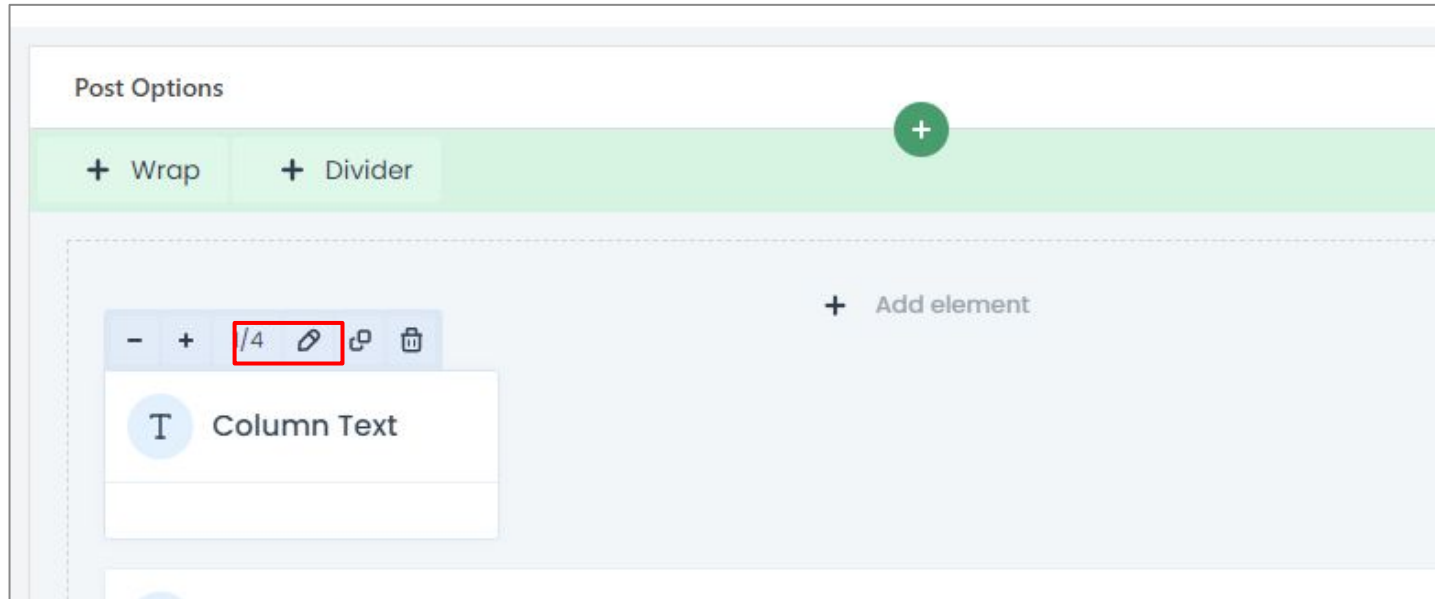

Select "column text" or whatever information you needed

Note - Select the elements for which you want to add details, such as **"Column text"** for text and **"Image"** for images.

1. Click on  and then clicked on "Text" to add the content and "Save Changes".
2. Afterward click on "+" sign till 1/1 for the whole width
3. And click on "Update" from top right corner to see the details

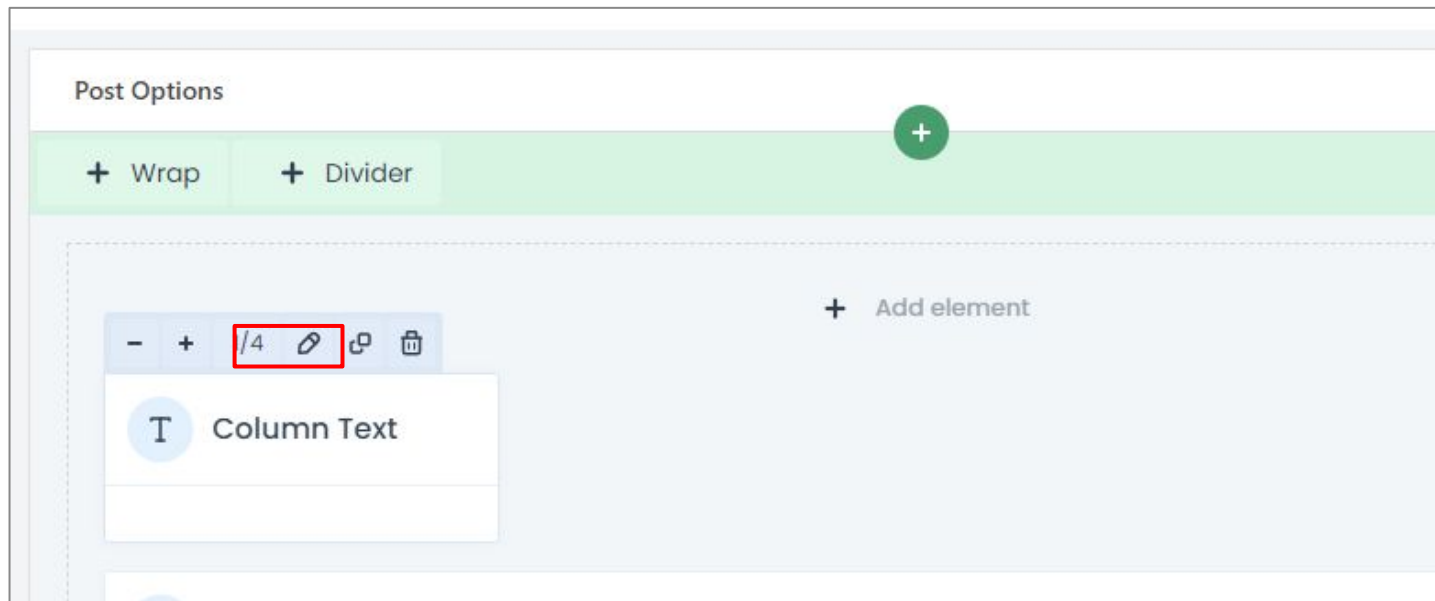

1. Once you have input the information, please click on “Update”.

The screenshot displays the WordPress BeBuilder editor interface. At the top, there is a navigation bar with a WordPress logo, a plus sign, and several icons. On the right side of the top bar, there are buttons for "Be Edit with BeBuilder", "Be Preview", and "Save". Below the top bar is a "Post Options" section with a toggle for "Wrap" and "Divider", and a "Prefer the old BeBuilder look?" dropdown. The main editing area contains a large dashed box with a central "+ Add element" button. Inside this area, a text column element is highlighted with a red border. The text column has a "T" icon and the label "Column Text". The text content within the column reads: "For your comfort, we have an all-women's team of dedicated experts to help you with any breast-related complaint. We strive to offer the best in breast cancer care, treatment of benign breast problems, cosmetic breast problems, as well as preventive breast care." Below the text column, there is another "+ Add element" button. On the right side of the editor, there is a vertical toolbar with various icons for alignment, undo, redo, and zoom.

4.

How to change the text colour

1. Click on 

Add the content and Click on “Toolbar Toggle”

T Column Text Content Style Advanced X

Add Media Visual Text

How to insert media files?

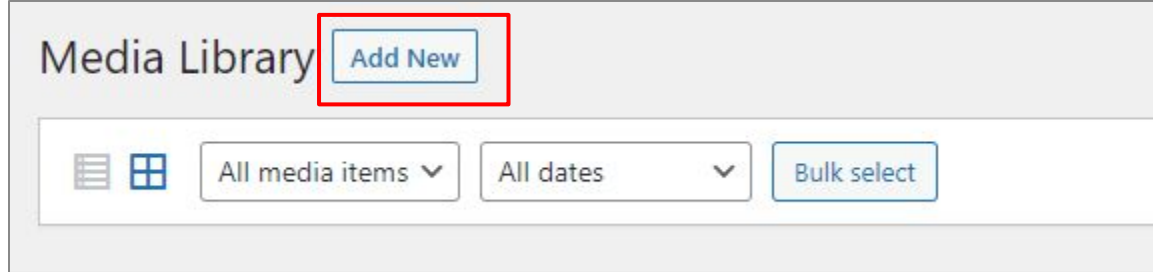

# Steps to add Media Files

1. Choose "Media" from the menu.
2. Click on "Add New" to add the new files/images.
3. Upload the files and submit it.

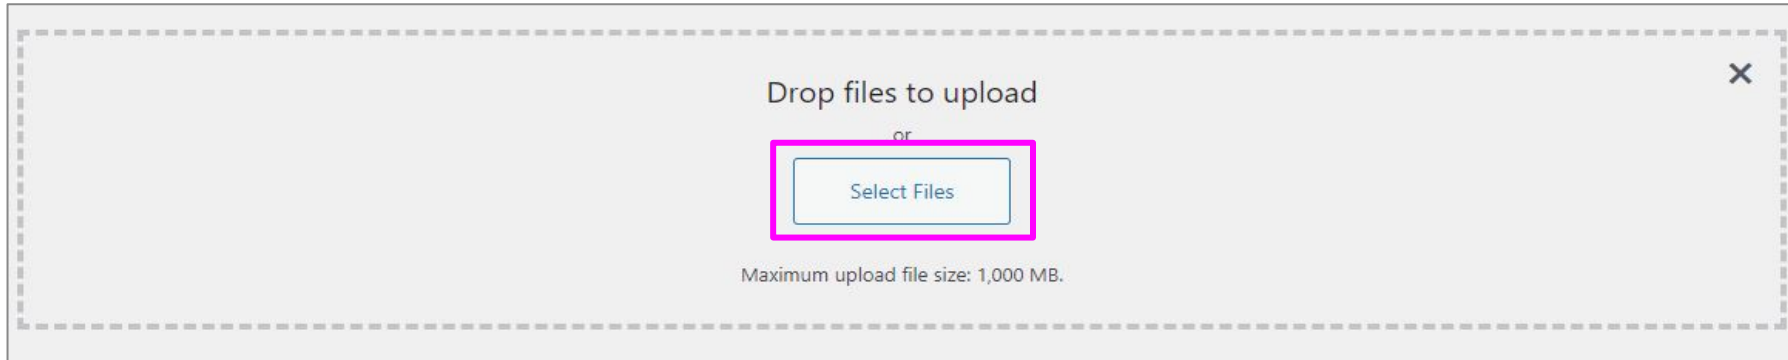

Please click "Add New" to include new files/images, and then select the file for uploading it to the server.

The image shows a 'Media Library' interface. At the top left, the text 'Media Library' is displayed. To its right is a blue button labeled 'Add New', which is highlighted with a red rectangular border. Below this, there is a toolbar containing a list view icon, a grid view icon, a dropdown menu currently showing 'All media items', another dropdown menu showing 'All dates', and a blue button labeled 'Bulk select'.

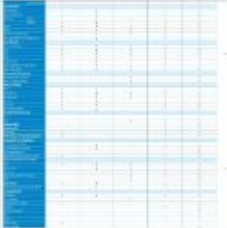

The image shows a file upload area with a dashed border. In the center, the text 'Drop files to upload' is displayed above the word 'or'. Below 'or' is a blue button labeled 'Select Files', which is highlighted with a magenta rectangular border. At the bottom of the area, the text 'Maximum upload file size: 1,000 MB.' is shown. A close button (an 'X' icon) is located in the top right corner of the dashed box.

Note - (Maximum upload file size: 1,000 MB.)
