

# 32<sup>nd</sup> CRSI National Symposium in Chemistry 17<sup>th</sup> CRSI-RSC Joint Symposium

February 01 – 04, 2024

Organized by

Department of Chemistry, BITS Pilani-Pilani Campus

<https://www.bits-pilani.ac.in/crsi>

The 32<sup>nd</sup> CRSI National Symposium in Chemistry (CRSI-NSC-32) and 17<sup>th</sup> CRSI-RSC Joint Symposium will be held at Birla Institute of Technology and Science, Pilani (BITS Pilani), Pilani Campus from February 01-04, 2024 under the auspices of the Chemical Research Society of India (CRSI). The CRSI-NSC intends to bring together eminent scientists, technologists, and young researchers to provide a platform for discussing their achievements and newer research directions in the chemical and allied sciences field. The forum will create opportunities to build long-lasting collaborative endeavors in the frontier areas of chemistry. The symposium includes medal lectures, RSC-CRSI lectures, poster presentations, and special lectures by eminent scientists working in the allied areas of chemistry from India and abroad. The organizing committee at BITS Pilani, Pilani Campus is pleased to invite you to this symposium.

## CHEMICAL RESEARCH SOCIETY OF INDIA (CRSI)

The Chemical Research Society of India (CRSI) was established in 1999 as part of the 50<sup>th</sup> Anniversary of the country's independence. Currently, the CRSI represents more than 3500 lifetime members, who participate in the study, practice, teaching and promotion of Chemistry. The main objectives of the CRSI are to recognize, promote and foster talent in Chemistry and Chemical Sciences and to improve the quality of Chemical education at all levels. The society has active collaboration with the Royal Society of Chemistry (RSC), London, the American Chemical Society (ACS), the Asian Chemical Editorial Society (ACES), the German Chemical Society (GDCh) and the French Chemical Society.

## BIRLA INSTITUTE OF TECHNOLOGY & SCIENCE, PILANI

The Birla Institute of Technology and Science (BITS), Pilani, declared a Deemed to be University in 1964 and an Institution of Eminence in 2020 is a pioneer in higher education in all the major disciplines of Engineering and Sciences, with Humanities, Social Sciences, Management, Economics and Finance in its ambit. The qualities of innovation, enterprise, commitment to excellence, adherence to merit, and transparency, have characterized the Institute all through its journey towards its eminence. Its five modern, aesthetically beautiful and fully residential campuses at Pilani, Dubai, Goa, Hyderabad and Mumbai with state-of-the-art facilities for teaching and research provide a unique ambience for student and faculty interaction. Its graduates can be found worldwide in eminent leadership positions in all areas of Engineering, Science and Commerce. BITS Pilani is proud to have given 13 unicorns to the country and more than 7500 founders and co-founders.

## DEPARTMENT OF CHEMISTRY

The Department of Chemistry, BITS Pilani, Pilani Campus, is one of the oldest departments on campus. It offers M.Sc. and Ph.D. programs which are well-received by the students. Over the years, the department has grown with strong research interests in all fields of chemistry. Equipped with a state-of-the-art instrumentation facility and research laboratories, the Department is counted among the best departments for education in Chemistry across the country. The department is recognized under DST-FIST and UGC-SAP programs. Faculty members have received significant research funds from national agencies including CSIR, DST, UGC, DBT, and DRDO as well as Industries such as Aditya Birla Group, Ranbaxy Laboratories etc. The Department has active research collaboration at the national and international levels.
