

**Mitre Saw**

| Machine Make                              | BOSCH            |
|-------------------------------------------|------------------|
| Machine Specifications                    |                  |
| Rated input power                         | 1,700 W          |
| Saw blade diameter                        | 254 mm           |
| Mitre setting                             | 47 ° L / 52 ° R  |
| Bevel setting                             | 45 ° L           |
| Saw blade bore diameter                   | 30 mm            |
| Cutting capacity, 0°                      | 89 x 89 mm       |
| Cutting capacity, 45° mitre               | 62 x 130 mm      |
| Cutting capacity, 45° bevel               | 86 x 67 mm       |
| Tool dimensions (width x length x height) | 535 x475 x330 mm |
| No-load speed                             | 4800 rpm         |

**Bosch Wood cutting Machine  
(GTS 10 J)**
