

5th IEEE Delhi Section Conference IEEE DELCON 2026

19-21, November 2026

Venue - BITS Pilani, Pilani Campus, Rajasthan

IEEE DELCON 2026: An International Conference on Converging Technologies for Sustainable Innovation

Technical Tracks

- **Track 1:** Smart Communication & Networking
- **Track 2:** Quantum Technologies & Photonic Systems
- **Track 3:** Computer Engineering & Intelligent Systems
- **Track 4:** VLSI, Embedded Systems & Next-Gen Computing
- **Track 5:** Signal Processing, Biomedical & Multimedia Systems
- **Track 6:** Sustainable Energy, Power Electronics & Smart Grids
- **Track 7:** Cyber-Physical Systems, Security & IoT Applications
- **Track 8:** Advanced Materials & Emerging Devices
- **Track 9:** Antennas, Metamaterials & Microwave Engineering
- **Track 10:** Robotics, Control & Mechatronics Systems

Important Dates

Paper Submission Opens	December 01, 2025
Paper Submission Deadline	June 15, 2026
Acceptance Notification	September 15, 2026
Camera-Ready Submission	October 20, 2026

IEEE DELCON is the flagship international conference of the IEEE Delhi Section under IEEE Region 10 (Asia Pacific). Since its launch in 2022, DELCON has provided a premier forum for researchers, industry professionals, and students to share advances in electrical, electronics, and computer engineering.

The fifth edition of IEEE DELCON 2026 (19–21 November 2026) will be hosted by Birla Institute of Technology and Science, Pilani (BITS Pilani), Pilani Campus, Rajasthan, India, with the theme “Converging Technologies for Sustainable Innovation.” Organized in association with the IEEE Delhi Section, the conference brings together diverse communities to explore interdisciplinary technologies and solutions for sustainable and impactful innovation.

Conference Highlights

- Plenary & Keynote Talks
- Startup Showcase & Exhibition
- Best Paper Awards (One per Track)
- Student Travel Grants (Competitive)
- Academia–Industry–IEEE Networking
