tlc@hyderabad.bits-pilani.ac.in

About the Conference

Significant advances have been made in teaching methodology and presentation. Today, artificial intelligence and virtual tools have enabled rapid access to a wide range of knowledge. The theme of this event will be how to present such vast data to students most efficiently. Furthermore, advanced innovative learning approaches will also be discussed with the participants.

Registration

- Registration fees of Rs. 500+ taxes are being charged, covering a two-day stay and food.
- Send an email to tlc@hyderabad.bits-pilani.ac.in to register.
- Visit our webpage beta.bits-pilani.ac.in/tlc for more information and queries.

Learn, Share, and Grow with Us

- The opportunity to give a talk will be presented to each participant.
- Participants will get to attend workshops on Teaching and Pedagogy during the Conference.
- Exciting prizes will be awarded for the best presentations.
- The certificate will be issued.
