

Birla Institute of Technology & Science, Pilani

K K Birla Goa Campus

Intern position under NFSG funded project

Applications are invited for the position of **Project intern** in the Department of Computer Science and Information Systems (CSIS) at BITS Pilani, K. K. Birla Goa Campus, Goa for the NFSG sponsored research project titled **“Investigation on achieving stability” (N6/25/1075)**.

Principal Investigator:	Dr. Girija Limaye, Assistant Professor, Department of CSIS
Broad area of Research:	Theoretical Computer Science → Algorithms and complexity
Duration of the project:	04 months
Fellowship Amount (Rs.):	12000
No. of positions:	02
Joining:	ASAP after selection

Accommodation: Hostel accommodation will be provided **subject to availability** and will be governed by the rules and regulations of the Institute prevailing at the time of joining of the candidate. In case of non-availability of the hostel accommodation, the intern will be required to make their own arrangements.

Qualification: Third year or final year UG students in Computer Science and Engineering or Mathematics who have completed courses in discrete mathematics, data structures and algorithms, and have a minimum two years of coding experience.

Benefits: An intern working on this project will get an opportunity to

- Read research papers
- Apply learnings from theoretical CS courses in solving practical problems
- Implement algorithms to automate validation of claims
- Implement new ideas in order to formulate new theoretical claims

How to Apply: Interested candidates may send the following to the principal investigator (email: girijal@goa.bits-pilani.ac.in) by **November 12, 2025** with subject as “Application for the intern position (Nov 2025)”

- Transcript
- Curriculum vitae mentioning the details of coding experience
- Statement Of Purpose (maximum 400 words)
- Contact details

Only shortlisted candidates will be contacted via e-mail for an **online technical interview**.
