

2nd International Conference on Novel Materials and Technologies for Energy and Environment

Applications (NMTE²A) on 17-18 February, 2024

Department of Chemical Engineering, BITS-Pilani, Hyderabad Campus

About the Conference

BITS-Pilani Hyderabad Campus invites students, researchers, and delegates from academia and industry to participate in the two day International Conference on Novel Materials and Technologies for Energy and Environment Applications (NMTE²A - 2024). The NMTE²A-2024 aims to bring together interdisciplinary material scientists, researchers, and students to engage in fruitful discussions on their latest research ideas and progress. This conference will cover fundamental aspects and technologies developed to target the open questions in energy and environment applications. The conference will have oral and poster presentations by delegates from academia, R&D organizations, and Industries.

Call for Papers

Full-length papers are invited from students, faculty, scientists and researchers in academia and industry to present their research findings. Selected articles will be considered for publication in SCOPUS- and SCI(E)-indexed journals after peer review. Discussions are underway for the special issues in Bulletin of Materials Science (Springer), Springer Proceedings in Materials and others. Environmental Science and Pollution Research (Springer, Q1, IF 5.8) is a partnering journal to publish selected articles in a special issue following peer-review as per the journal policy.

Focus Areas

(Not limited to)

- Computational Materials
 - Polymers and Composites
 - Sensors
 - Green Hydrogen
 - Hydrogen storage
 - Green Materials
 - Recycling Materials
 - Water Treatment
 - AI & ML in material design
 - Nanotechnology
 - Waste to Energy
 - Functional Materials
 - Modelling and Simulation
 - Catalysis
 - Energy Storage Devices
 - Process Intensification
 - Energy and Sustainability
 - Phase Change Materials
 - Petrochemicals
 - Biomedical Engineering
 - Carbon Capture Utilization & Sequestration (CCUS)
 - Biotechnology
- and other fields of chemical, materials science and applications.

Venue

BITS-Pilani Hyderabad Campus, Jawahar Nagar, Kapra Mandal, Hyderabad, 500078, Telangana, INDIA.

Accommodation

Campus hostels may be provided to the students subject to availability. Nearby hotels are available on payment basis.

Prof. V. Ramgopal Rao
Vice-Chancellor, BITS-Pilani

PATRONS

Prof. Soumyo Mukherji
Director, BITS-Pilani, Hyderabad
Prof. G. Sundar
Director, Off-Campus Programs & Industry Engagement, BITS-Pilani

CHAIRMAN

Prof. I. Sreedhar
HOD, Chemical Engineering, BITS-Pilani, Hyderabad

CONVENERS

Dr. Satyapaul A. Singh
Prof. D. Purnima
Dr. Iyman Abrar

ADVISORS

Prof. S. Gurunaranayan
Deputy Director, Off-Campus Programs and Industry Engagement, BITS-Pilani
Prof. P. Yogeewari
Dean, Administration, BITS-Pilani, Hyderabad
Prof. Ajit Pratap Singh
Dean, Academic – Undergraduate Studies, BITS-Pilani
Prof. P.B. Venkataraman
Dean, Work Integrated Learning Programmes, BITS-Pilani
Prof. V. Vamsi Krishna Venuganti
Dean, Academic – Graduate Studies & Research, BITS-Pilani
Prof. Annapoorna Gopal
Dean, Practice School, BITS-Pilani
Prof. Arya Kumar
Dean, Alumni Relations, BITS-Pilani
Prof. Sanket Goel
Dean, Sponsored Research & Consultancy, BITS-Pilani
Prof. Srikanth Mutnuri
Dean, International Programmes & Collaboration Division, BITS-Pilani
Prof. Sourj Banerjee
Dean, Faculty Affairs Division, BITS-Pilani
Mrs. Sunitha Suresh
Head, Accounts and Finance, BITS-Pilani, Hyderabad

LOCAL TECHNICAL COMMITTEE

Prof. Vikranth Kumar Surasani

About Us

Department of Chemical Engineering at BITS Pilani, Hyderabad campus is determined to develop new talents, leaders, researchers and entrepreneurs who can bring high-level value addition to the chemical and allied industries. Our mission is to drive excellence in Chemical Engineering education and training thereby lead to the creation of a common platform for connecting academia and industry in the exchange of knowledge. The department offers B.E., M.E. and Ph.D. in Chemical Engineering. We train our students in thrust areas of research to resolve global issues as part of the curriculum. We have well-equipped state of the art laboratories for students to gain extensive practical knowledge. The department received more than ₹ 8 Cr external grants from the funding agencies such as DST, CSIR, SERB, DBT, DRDO, and HBL. Further the department received DST-FIST level-1 and a member of DST-PURSE projects worth of ₹ 1.35 and ₹ 23.4 Cr, respectively. The department has been ranked 301-350 globally according to QS World University Rankings 2024.
