ADMISSIONS TO INTEGRATED FIRST DEGREE (B.E., M.Sc., and B. Pharm.) PROGRAMMES OFFERED AT PILANI, GOA & HYDERABAD CAMPUSES OF BITS PILANI DURING THE ACADEMIC YEAR 2023-24

All candidates who have appeared in **BITSAT-2023**, please note the following procedure for admissions to Integrated First Degree programmes offered at Pilani, Goa and Hyderabad campuses of BITS Pilani.

In addition to applying for and appearing in BITSAT-2023, candidates seeking admission to BITS have to also apply giving details of their Higher Secondary marks and preferences for different degree programmes offered. The prescribed application form for admission, the detailed application procedure and the final list of Degree programmes offered will be available on the BITS website **from June 02, 2023**. **Candidates have to fill their preferences with required application fee of Rs. 1000/- online through BITS Admissions website <https://www.bitsadmission.com/fdmain.aspx> latest by June 23, 2023.** The candidates are strongly advised to exercise their preferences after careful consideration. No candidate at any time of the operation can change his/her preferences or refuse to slide up in his/her order of preference from the closing of application process till the entire admission process is completed. Please note that the preferences cannot be changed after the deadline. Hence, all the data provided by the candidate in the application form with respect to the candidate's background, academic performance, and order of preference for various degree programmes etc. must be filled with due diligence **latest by June 23, 2023**.

For admission to all the Integrated First Degree programmes except B.Pharm., candidates should have passed the 12th examination of 10+2 system from a recognized Central/State board or its equivalent with Physics, Chemistry, and Mathematics and should have adequate proficiency in English.

For admission to B.Pharm., candidates should have passed the 12th examination of 10+2 system from a recognized Central or State board or its equivalent with Physics, Chemistry, and Biology or Mathematics and have adequate proficiency in English.

Further, admissions to all First Degree Programmes, candidates should have obtained a minimum of aggregate 75% marks in Physics, Chemistry and Mathematics subjects (if he/she has taken Mathematics in BITSAT) or a minimum of aggregate 75% marks in Physics, Chemistry and Biology subjects (if he/she has taken Biology in BITSAT) subjects in Higher Secondary examination, with at least 60% marks in each of Physics, Chemistry, and Mathematics / Biology.

Admission to BITS will be made purely on merit. The merit position of the candidate for admission will be based on the score obtained by the candidate in the **BITSAT-2023**. See BITSAT-2023 brochure for more details.

DISTINCTIVE FEATURES OF THE EDUCATIONAL STRUCTURE AT BITS AND SOME SPECIAL PROVISIONS:

Option of Dual degree in Engineering for students admitted to M.Sc. Programmes at the Indian Campuses of BITS Pilani: All students admitted to **M.Sc.** programmes will be given an opportunity to work under the dual degree scheme for one of the B.E. programmes, the assignment being made by competition on their performance at BITS at the end of first year,

separately in Pilani, Goa and Hyderabad campuses. The Dual Degree scheme at BITS is quite popular, the details of which must be referred online under **Admissions Modality** section of the website <https://www.bitsadmission.com/fdmain.aspx> before filling the preference form.

Note: (1) There will be restriction on the availability of flexibility such as transfer and dual degree allotment for students admitted to B. Pharm. programme with PCB input in BITSAT. Since all the first degree programmes other than B. Pharm. programme requires PCM input, no transfer/dual degree allotment is possible for candidates admitted with PCB input.

(2) The candidates have to fill only a single application form for seeking admission to different first degree programmes offered at Pilani, Goa and Hyderabad campuses.

(3) If a PCM candidate is seeking admission to different first degree programmes (other than B.Pharm.) offered at Pilani, Goa and Hyderabad campuses, he/she has to fill only a single application form, giving the order of preferences to the programmes of interest. However, if the PCM candidate also wishes to apply for B.Pharm. programme, he/she has to fill in a second form. A PCB candidate is eligible to apply only for B.Pharm. programme and therefore can fill only a single application form.

(4) Candidates are advised to go through details related to admissions modality, which is available at the Institute's admissions' website www.bitsadmission.com.

Direct admission of Board toppers: First rank students of all the central and state boards in India will be given direct admission to the program of their choice at BITS, irrespective of their BITSAT-2021 score. While the first rank student in the PCM stream will be considered for admission to any of the first degree programmes of his/her choice, the first rank holder of the PCB stream will be considered for admission to only B. Pharm. programme. However, they should have obtained the minimum marks in PCM/PCB subjects in the 12th examination, as described above. See the BITS website for more details on the eligibility under this scheme.

Admission under BITS-RMIT Academy:

The BITS-RMIT Higher Education Academy is a ground-breaking partnership between two leading universities in India and Australia.

All candidates who have appeared in BITSAT-2023 can also choose the BITS-RMIT Higher Education Academy mode of admission. They can apply for admission to the following programs based on their BITSAT-2023 score.

- B.E. Civil at BITS Pilani and Bachelor of Engineering (Civil and Infrastructure) (Honours) at RMIT, Australia
- B.E. Mechanical at BITS Pilani and Bachelor of Engineering (Mechanical) (Honours) at RMIT, Australia
- B.E. Electrical & Electronics at BITS Pilani and Bachelor of Engineering (Electrical Engineering) (Honours) at RMIT, Australia
- B.E. Electronics & Communication at BITS Pilani and Bachelor of Engineering (Electronic and Computer Systems Engineering) (Honours) at RMIT, Australia

The Academy provides students the chance to study at two globally recognized institutions and receive two degrees to be awarded separately and simultaneously from both the universities, BITS Pilani and RMIT Australia. The BITS-RMIT Higher Education Academy provides students an affordable pathway to two world-class degrees. For admission under BITS-RMIT Academy, candidates are required to apply separately through the following Link: <https://rmit.service-now.com/rmit-apply/> latest by **June 23, 2023**.

More details about Admissions under BITS-RMIT Academy can be found at <https://bitsrmit.in/>
