**Postdoctoral Teaching and Research Fellowship (PDTRF)
@BITS Pilani, Dubai Campus**

Position Title	Postdoctoral Teaching and Research Fellowship (PDTRF): 01 Position
Appointment	Full-time appointment for 2 years term period
Reporting to	Department Head
Department	Management Studies
Location	Dubai, UAE
About BITS-Pilani Dubai Campus (https://www.bits-pilani.ac.in/dubai/)	<p>BITS Pilani, Dubai Campus (BPDC) is the international campus of Birla Institute of Technology and Science (BITS) Pilani, India and is located at the Dubai International Academic City, Dubai. Set up in the year 2000, it is among the pioneer institutions in Dubai, offering high-quality engineering, technology and management education. It attracts a diverse student population from UAE, other GCC countries, Asia, Africa and the Far East.</p> <p>BPDC is approved by the University Grants Commission and Ministry of Human Resource Development, Government of India, and by the Knowledge and Human Development Authority (KHDA), Government of Dubai.</p> <p>BITS Pilani has been granted the status of “Institute of Eminence” by MHRD, Government of India.</p> <p>BITS Pilani, Dubai Campus has been awarded a 5-star rating by the Knowledge and Human Development Authority (KHDA) in partnership with QS in 2022, recognizing our excellence in teaching, research, employability, and internationalization.</p> <p>BPDC offers B.E, BBA, M.E., M.B.A., and Ph.D. programs in various engineering and allied disciplines, with nearly 2500 students from over 20 countries. The dynamic and vibrant campus has modern infrastructure and teaching/research facilities that enables BPDC to deliver a well-rounded education in an international environment by highly qualified faculty. Smart classrooms, cutting-edge laboratory facilities with the latest equipment, a 24/7 Creative Laboratory, and high-definition video conferencing facilities that connect BPDC with the campuses in India are some of the value-added features of BPDC. The Practice School, an internship program embedded in the course structure, is organized in partnership with over 300 companies, and facilitates industry attachment for students in preparation for their future careers.</p>
BPDC as a preferred workplace	BPDC provides an inclusive and supporting environment where you can grow your professional and personal self. BPDC is the place for you if you have the passion to make a difference. For management education and

	<p>research, BPDC provides access to Bloomberg database, Harvard Business Publishing case studies, advanced business simulation platforms, and other digital learning resources that foster data-driven decision-making, experiential and project-based learning, and industry-relevant skill development</p>
