BIRLA INSTITUTE OF TECHNOLOGY AND SCIENCE, PILANI

HYDERABAD CAMPUS

ADVERTISEMENT FOR RECRUITMENT OF PROJECT STAFF

Research Associate (RA) under ANRF Project

Applications are invited for a temporary research position under the NFSG Project at BITS Pilani, Hyderabad Campus.

Name of the Position	RESEARCH ASSOCIATE (RA)
Number of Position(s)	01
Project Title	Accelerated Deterministic and Stochastic Variational Inequality Methods for Large-Scale Optimization and Data-Driven Applications
Name of the Principal Investigator and email ID	Dr. Kanchan Mittal kanchan.mittal@hyderabad.bits-pilani.ac.in 123kanchanmittal@gmail.com
Sanction Number / Project Number	N8/26/015
Tenure of the Project / Appointment	6 -9 months. Starting from 01 Feb 2027.
Job Description	The selected candidate will carry out research related to accelerated deterministic and stochastic methods for variational inequalities, large-scale optimization, and data-driven applications. Duties may include developing, implementing, and testing algorithms; computational experiments using Python and MATLAB; reviewing relevant literature; and contributing to research reports, manuscripts, and project meetings as assigned by the Principal Investigator.
Essential Qualification(s)	Ph.D. degree in Mathematics or Operations Research, with experience in Python and MATLAB.
Desirable Qualification(s) / Skills	Knowledge or research experience in optimization, game theory, stochastic optimization, algorithm development, and machine learning.
Fellowship / Remuneration	Rs. 25,000 per month.
Application Deadline	15 December 2026.

Selection Process: Shortlisted candidates will be informed by email regarding the interview date, time, and mode. Possession of the essential qualification does not guarantee an interview call. Shortlisting will be based on merit and project requirements.

How to Apply: Eligible candidates should email their application and current detailed CV with all the publications to the Principal Investigator at kanchan.mittal@hyderabad.bits-pilani.ac.in.

Submit the application on or before 15 December 2026.

Terms and Conditions

1. The appointment is temporary and project-based, for 6–9 months, subject to the sanctioned project duration and applicable rules.

2. The selected candidate will be governed by applicable institute rules and the terms stated in the appointment letter.

3. Candidates may be required to produce original certificates and supporting documents for verification at interview or joining.

4. Canvassing in any form may lead to disqualification.

5. The institute / competent authority reserves the right to follow applicable rules for shortlisting, selection, and recruitment.
