

LKM Travel Grant

This is financial assistance provided under Prof. L.K.Maheshwari Foundation for the students of EEE Department BITS Pilani, Pilani Campus to attend conferences of repute to present their research work.

Any student who satisfies the following criteria can apply for the Travel Grant. Please read the eligibility criteria clearly before you submit the application using the google form link given below.

1. The conference shall be a reputed one organized by a well-established institute/professional organization.
2. The student who is applying shall remain a student of the EEE Department by the date of the conference.
3. One of the authors shall be a serving member of the EEE Department, BITS Pilani, Pilani campus.
4. The work being communicated to the conference shall be of significant and with the potential to be further extended into a project/patent or some other good quality research.
5. The application should reach the committee at least 30 days before the date of the conference.
6. The funds approved shall be released once the conference is over and the student/supervisor has presented the work at the conference.
7. All bills/receipts shall be produced in original for scrutiny and final release of the funds.
