Entrepreneurship Development (PIED) Society of BITS Pilani

31st Aug '23 - 1st Sept '23

WORKSHOP VENUE → Hybrid mode (In-Person and Virtual)

ABOUT BITS PILANI

The Birla Institute of Technology and Science (BITS) Pilani, recognized as an "Institution of Eminence" by the Ministry of Education, Government of India, is India's leading Institute of Higher Education and a Deemed to be University under section 3 of the UGC Act offering degree programmes in Engineering, Sciences, Technology, Pharmacy, Management, and Humanities.

ABOUT BITS-TEC

BITS-TEC is established at BITS Pilani with a generous support from The Technology Development and Transfer (TDT) Division of the DST, Government of India, to create an Ecosystem for Technology Development and to provide a platform to network researchers with other institutes, national laboratories, and industry. It aims to bring together regional academic institutes, R & D institutions, industry, MSMEs, start-ups, and incubators for enabling research innovation, technology development, improvement, and commercialization while leveraging its core strength of strong industry engagement.

ABOUT WORKSHOP

The hands-on workshop is spread over two days and will cover the finer aspects of Prior-art, Patent Search, and Claims drafting through the sessions conducted by experts from Sagacious IP. The workshop will cover the following aspects:

1. Why & how to conduct a patent search- theoretical Analysis,
2. Hands-on exercise for Prior-art and Patent Search on patent databases and its analysis
3. Spotting Invention Potential and Claims Drafting, and
4. Case studies
