

FAREWELL CEREMONY- Department of Pharmacy

BITS Pharmaceutical Society, BITS Pilani bid a nostalgic and hearty farewell to its graduating seniors on 17th November 2016. It was a night full of laughs and memories, shared together in the past BITSian years of our seniors. The ceremony started with a warm welcome by Ms Paridhi Gupta as our host for the evening to our respected teachers who were there with us to celebrate the auspicious evening.

It was followed by an inspiring and value rooted message by Dr. Anil Gaikwad, Head of the Department in which he highlighted the importance of benevolence and teamwork in life.

Then, Dr. Hemant R Jadhav spoke truly beautiful lines about the essential and indispensable role of a teacher in shaping of all future leaders and the strong characters that support this world and make it a better place.

The ceremony continued with the memento distribution as a token for our graduating seniors to honour their constant presence and guidance over us in all those times when we needed them the most!

Ms Shravya N Bhat and Mr Ayush Gupta were awarded with certificates of appreciation for their role as Batch Representative and Event coordinator in activities conducted by BITS Pharmaceutical Society. Their innovative contribution, dedication and support were the reason for where the society stands today.

Lastly, Ms Shravya N Bhat and Mr Ayush Gupta addressed their juniors with parting thoughts full of memories and experiences of those winter mornings and summer laboratories which they will miss for rest of their life. Their final words for us were to never stop exploring our opportunities presented by BITS and to always strive to become a strong and ground rooted personality.

The ceremony ended with a pleasant farewell dinner which we will always cherish together!
