DEPARTMENT OF PHARMACY

The Birla Institute of Technology and Science, Pilani known to many as BITS Pilani, is an all-India Institute for higher education. Founded in 1964 in collaboration with Massachusetts Institute of Technology (MIT), USA, it is one of the top most educational Institute in India. The Department of Pharmacy at BITS Pilani is one of the few early schools of Pharmacy in India. Established in 1950 under the able leadership of (Late) Prof M.L. Schroff, Father of Pharmacy Education in India, it blossomed into one of the most sought after Schools of Pharmacy due to its broad-based education system with rigorous training and dissemination of knowledge and university-industry linkages. Currently the department offers Bachelor, Masters and Ph.D programs in Pharmacy. Faculty of Department of Pharmacy are actively involved in carrying out extra-mural research projects funded by various industries and Government bodies.
