Dear Students,

This information is regarding the project type courses to be offered by the department for both the B.E. programs (EEE and EI). These courses may be taken by the students to meet the discipline elective requirements.

EEE/INSTR F266 Study Project

EEE/ INSTR F366 Laboratory Project

EEE/ INSTR F367 Laboratory Project

EEE/ INSTR F376 Design Project

EEE/ INSTR F377 Design Project

EEE/ INSTR F491 Special Project

GUIDELINES AS PER ARCD:

1. In a complete degree program, a student may avail of a maximum of three (03) Project courses to meet the Discipline Electives. In total, a student may avail at most five (05) Project courses against Electives slots in any category (discipline electives + open electives).
2. **A final year student can do two projects in a semester.** But the other students can do only one project in a semester.
3. A student cannot do two Study Projects/Lab Projects/Design Projects/Special projects in a semester. However, the student can do them in two different semesters.

GUIDELINES FOR OPTING PROJECT TYPE COURSES:

The list of projects under different courses to be offered is available on the EEE webpage.

1. Students are advised to meet the faculty and obtain consent in the prescribed form (available on the EEE webpage).
2. Those students who want to work with scientists of CEERI-Pilani should note the following:
 - (i) They can take only Design or Lab projects (Study/Special projects are not allowed).
 - (ii) The topic should be related to one of the thrust areas of the department to qualify for discipline elective.
 - (iii) EEE faculty will be the instructor and CEERI-scientist will be the co-instructor.
3. All students are required to fill details of their project online, and submit the project consent form to EEE office.
4. If a student does not want to do any project, he/she may take other courses as elective, subject to availability, and no time table clash.
5. No student will be allotted two similar project courses in the same semester.
6. No student will be permitted to do two projects under the same instructor in the same semester.
7. If a student already has a valid grade in a project course is not permitted to do the same course again.
